STATUS LETTER

It is respectfully requested that applicants be advised of the status of a Request for a Certificate of Correction previously filed for the subject patent application.

Applicants originally filed a Certificate of Correction with the Office on November 12, 2004. Applicant's original request was partially granted, as indicated in a Certificate of Correction dated February 15, 2005. Applicants subsequently filed a Request for Reconsideration for Certificate of Correction Under 37 CFR 1.322 seeking to enter corrections submitted in the original request but not entered by the Office. The Request for Reconsideration was mailed to the Office on March 24, 2005. Applicants had not received a decision on the Request and thus filed a Status Letter with the Office on July 10, 2006.

In the Image File Wrapper for the above case, it appears that Applicants' Request for Reconsideration was approved by the Office on or about 21 April 2005. (See attached.) To date, however, Applicants have not received a Certificate of Correction reflecting the entry of the correction submitted in the Request for Reconsideration.

Respectfully submitted,

Michael J. Blake
